ASSOCIATION

Membership Directory

225-627-6720

www.ducotestreefarm.com

Being part of LNLA means being part of a family that always has your back and is always looking out for your best interest. The businesses in our membership support more than just the people who own them ... our businesses supports families; mothers, fathers, sons and daughters, friends and relatives. Our members support beauty, nature, growth, life ... for their families, their employees and all those they come in contact with.

Our members see the BIGGER picture. Whether your drive is competition and being on the cutting edge of the latest and greatest or you are following in your father's footsteps. If your passion for plants, people and nature lights a fire in you or if you are simply working to support yourself and your family, LNLA is where we all come together. This is where we support each other and our industry in this state. We are a strong industry! Our roots run deep; no pun intended.

With Spring upon us, our future looks bright. Our garden centers are stocked, garden and pool designs are sketched, our trucks are loaded for shipping, and our blades are sharp and ready for work. God has provided the rain and sunshine and every day is anew with endless possibilities. Homeowners and consumers await what we have to offer ... because what we have to offer is knowledge, dedication, professionalism ... the very best.

LNLA members are the very best and proud to be a part of such a worthwhile association.

Wishing you all the very best this year!

Cari Jane Murray
LNLA Executive Secretary
